GERMAN AEROS FIRE BUILDINGS IN DVINSK

Czar's Vilna Army Reported to Have Extricated Themselves-Situation at Dvinsk Critical, Say Russians.

ed in bringing up their 42-centimeter German aeroplanes are flying over

Dvinsk, dropping bombs upon the Rus-sian batteries and directing the fire of the Teuton guns. According to the latest reports, several fires have been set in their contributions. Before the bombardment opened, the

great mass of the civil population had

left the city in response to warnings by the Russian military authorities. It was admitted at the war office today that the situation in Dvinsk is critical. This fortress forms part of the third line of Russian defense, the first to carry munitions stands on a difficult and second being respectively the Vistula and Bug forts, all of which are now

in German hands.
War office officials asserted, however, that the Russian artillery along the Dyina River at Dyinsk, and then the north and south of the city would be exporters in the United States. He

of the Vilna-Lida front, the Russian rear guards holding in check the pursuing Prussians and Bavarians while the retiring troops of the Czar withdraw their suspicion of their being ultimately intended for Germany. The negotiations artillery to new positions.

ARMY ORDERS.

Benjamin F. Hoge, Tenth Catality.
Each of the following efficers of the Medical
Reserve Corps is relieved from duty and will re

The new income tax is to be collected quarterly. The lowering of the exemption limit to include incomes of only f130 will, the chancellor said, realize f939,000 in a full year. The previous limit was f160. This means, translated into dollars and cents, that British workers earning less than \$500 at year will contribute directly from their incomes nearly \$5,000,000 a year to defraying the cost of the war.

The new tax on big incomes will hit some of Englanc's miliconires and landed jords harder than ruything year to defraying the cost of the war.

The new tax on big incomes will hit some of Englanc's miliconires and landed jords harder than ruything yet all the formal proposed. On incomes of between \$9,000 and \$45,000 the exit at ax will be please they better hold their tongues. It's het to look at all this heroism full of admiration. My friends in the army are quite different this way."
